

CHEST Value Setting Work Group
Draft of Organizational Values
May 2023

- Community: We are earnestly invested in the support, growth, and development of each and every person as an individual and as a whole, and are tireless champions for each other.
- Adaptability: We strive for excellence in all that we do with an agile and ever-evolving perspective for constant improvement
- Innovation: We pursue bold, future-oriented possibilities
- Advocacy: We courageously and intentionally act to create and foster positive changes for our members, our patients and their family, and the next generations of CHEST clinicians.
- Inclusion: We amplify the unique and diverse experiences of our community members
